New Album :: FOODFEST 2012 - Full Album HD - wav.Q: Setting default settings for frame with z-index I created a frame with two background images (frame-back and frame-front) with position relative. I'm able to set the settings for each side as

```
background-size:100% 100%;
position:absolute; top:0; left:0; (frame-back is left and top).
```

Is there any way to set a default settings for those two sides, for example background-size:100% 100% I tried to set the right side of the bottom frame, but it doesn't work. I'm not sure, if this is possible. Or maybe there is an alternative way to set each side with background images? Thx in advance (I want to set these options with css) A: By default the element will be on the top, left and right
